Responsible Citizens

Taking Responsibility

Christian & British Values

In Our Community

We will take responsibility for ourselves when out and about near roads and in the sun.

Our current Christian value is **Forgiveness**. We will be looking at ways we can be forgiving with one another and our wider community.

Our British value for this half term is:

Tolerance of different faiths and beliefs. We respect the culture and beliefs of others, treating everybody equally. We understand right from wrong.

We will be looking after our school environment, including plants and flowers, to ensure that visitors to our school can see how we care for our environment.

Nationally, we will be celebrating the King's Coronation.

Globally, we will be raising money for ROSHNI
