Taking Responsibility

We will bring joy to others by taking responsibility for our attitude to others and think about how we can show love and kindness to others at Christmas time.

Christian & British Values

Our current Christian value this half term is **Joy.** We will be looking at how Jesus brings us joy and its importance for our health and wellbeing. **Our British Value is recognising our uniqueness:** We know and celebrate that we are all special.

In Our Community

Locally: We will be making and sending Christmas greetings to the elderly or unwell in local residential homes.

Nationally: We are going to support this year's chosen charity, The RSPCA. **Globally:** We will be learning about how other cultures celebrate Christmas
