Responsible Citizens

Taking Responsibility

We will recognise that it is our responsibility to be patient with ourselves and not get frustrated or cross when things don't go our way. We will also be working on being patient with others too.

Christian & British Values

Our current Christian value this half term is **Patience**. We will be looking at how Jesus was patient with his disciples and how being patient can really help us to stay happy.

In Our Community

Locally: We are supporting our local charity Bentham Pet Care.
Nationally: We will be looking at how FairTrade is supported in our country.
Globally: We will be learning about how other cultures celebrate Easter around the world.
